

*Comune di Sestri Levante*

# ALERT SYSTEM FOR WEATHER EVENTS

<b>GREEN</b>	<i>No alert.</i>
<b>YELLOW</b>	<i>Expected intense weather conditions that are locally hazardous and dangerous for particular activities.</i>
<b>ORANGE</b>	<i>Expected more intense than normal weather conditions that are considered dangerous for people and properties.</i>
<b>RED</b>	<i>Expected extreme weather conditions that are considered very dangerous for people and properties.</i>

## ***How to stay informed and who to contact in case of need***

*pay attention to instructions issued by the authority's road side signs, radio, and tv.*

*Refer to the regional civil protection centre and the following websites: [www.allertaliguria.gov.it](http://www.allertaliguria.gov.it) and town web-site [www.comune.sestri-levante.ge.it](http://www.comune.sestri-levante.ge.it)*

## **YELLOW ALERT**

- Town Hall P.R. Office 0185 4781.
- MUNICIPAL POLICE 0185 41332.
- Emergency number for citizens +39 320 2397398.
- Schools are open: in case of the worsening of weather conditions updated instructions will be published and communicated via SMS text messages.
- It is forbidden to park in Via Verdi in Riva Trigoso.

## **SELF PROTECTIVE MEASURES**

- Close and lock cellars and basement doors, and place protective bulkheads on ground-floor rooms.
- Park your car far from flooding areas.
- Limit the use of any kind of transport as much as possible, particularly of private vehicles.
- Plan only limited journeys in accordance with real, or gent needs.

# ORANGE ALERT

- Operational Control Centre Open 24hr/day (City Town Hall - P.zza Matteotti 3) +39 0185 478223
- Emergency number for citizens +39 320 2397398.
- Schools are open: in particularly hazardous areas - or in case of worsening of weather conditions - the Mayor may take further actions (i.e. closing schools). Updated information and instructions will be published and communicated via SMS text messages.
- It is forbidden to park in Via Verdi in Riva Trigoso. The closure of the bridge in Pestella, the underground passage of Pietra Calante, the underground passages of Via Nazionale and Via Gramsci and the tunnels to Moneglia may be ordered.

## SELF PROTECTIVE MEASURES

- Do not stand on bridges nor near river banks. In case of coastal storms, do not stand on the beach nor by the rocks within reach of waves.
- In case of the worsening of weather conditions, do not try to save belongings and move to a safe place. If travelling, do not try to reach your destination, but stay in the closest, safest place.
- Limit the use of any kind of transport as much as possible, particularly of private vehicles.
- Keep up with the development of the situation.

# RED ALERT

- Operational Control Centre Open 24hr/day (City Town Hall - P.zza Matteotti 3) +39 0185 478223
- Emergency number for citizens +39 320 2397398.
- Schools are closed: A red alert message will inform citizens of the closure of schools.
- Markets, outdoor events and sports leisure events are suspended. Parks and cemeteries are closed.
- It is forbidden to park in Via Verdi in Riva Trigoso. The bridge in Pestella, the underground passage of Pietra Calante and the tunnels to Moneglia are closed. The closure of the underground passages of Via Nazionale and Via Gramsci can be ordered.

## SELF PROTECTIVE MEASURES

- Do not stand on bridges nor near to river banks. In case of coastal storms, do not stand on the beach nor by the rocks within reach of the waves.
- In case of the worsening of weather conditions, do not try to save belongings, and move to a safe place. If travelling, do not try to reach your destination, and stay in the closest, safest place.
- Limit the use of any kind of transport as much as possible, particularly of private vehicles.
- Avoid going outdoors. If a severe weather warning is issued, prevent groups of people from leaving buildings - such as schools, offices or other center.
- Avoid ground-floor spaces, cellars and basements.
